# CONNECTING TO NIFC WIRELESS NETWORK - GUEST
MOBILE DEVICES: iPhones & iPads

These instructions are intended for **NIFC Guests** that would like to use the **NIFC Wireless Guest Network** using their mobile device (**iPhone 4,5,6, and iPads**). **NOTE:** This connection does not provide access to Agency internal networks. Minor variations from these instructions may occur depending on the device and its software version.
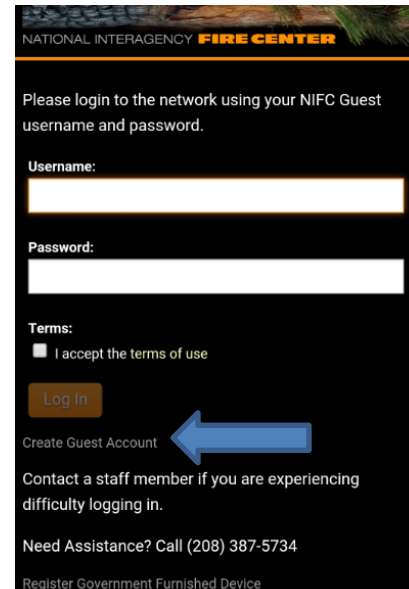

**Step 1:** On your iPhone or iPad, click on "**Settings**."

Step 4: Select "**Create Guest Account**"

Step 2: Select "**Wi-Fi**" and then select "**NIFC Guest**"

Step 3: Open Safari. Try to go to a public website (e.g., http://www.google.com).
A pop-up will appear stating "**Cannot Verify Server Identity**"
Select "**Continue**".

NOTE: Sponsorship is **REQUIRED** to access the NIFC-Guest Wi-Fi network.

Your Sponsor is the Government employee you are working with.

Step 5: Fill in the form with your sponsor's information and your name and email address. Check ☑ the **"I accept the terms of use"**, and select **"Register"**

Step 6: Your account info will be emailed to you. The page will automatically refresh every 30 seconds. Once the request is approved and email sent to you, the page will refresh with your account information displayed and account status **"Enabled"**. Select **"Log In"** to complete the connection process.

NOTE: Your account info will be emailed to you. The password cannot be changed so please save this information. **This account will be valid for 30 days**. To log back in, repeat steps 1 and 2; then sign in using your email address and the password provided.
