Trampoline Gymnastics Judges' Online Test Schedule Change

Dear Members of the Authorities,
Dear Presidents of Federations and Unions,

The online Judges' Practice and Official Tests for Trampoline Gymnastics begin this weekend. Due to a greater number of judges taking the TRA and DMT tests, we have revised the schedule as seen in the table below (in yellow). The TUM tests will now follow TRA and DMT. This will prevent a vast majority of the judges from having a greater than 90-minute break between tests. NFs do not need to make any registration changes, and we ask that you inform your judges as soon as possible.
