Arbitration report

The Report on Lengthy Litigation

By [seresin](#)

[Contribute](#) — [Share this](#)

The [Arbitration Committee](#) opened one case this week, and did not close any, leaving three open.

New cases

- **Cold fusion**: A case involving conduct disputes around the article [Cold fusion](#).

Voting phase

- **Kuban Kazak-Hillock65**: A case involving a dispute between [Hillock65](#) and [Kuban kazak](#).
- **Piotrus 2**: A second case involving alleged edit warring and other misconduct by [Piotrus](#) and other editors. Piotrus denies the allegations against him, and has suggested that the case may be a deliberate attempt to drive him from the site. The case, which has been open for over two months, involves a large number of users not named as official "parties" to the case, but cited in [workshop proposals](#) made by arbitrator [Kirill Lokshin](#).
