## **Lobbying Directory**

### **PREFACE**

August, 2023

The Lobbying Directory is published by the Secretary of State to help identify the people, organizations, and firms that have registered with the Secretary of State's office to lobby the Legislature and administrative branches of state government.

A PDF image of the Directory is available for free download on the Secretary of State's website at <http://cal-access.sos.ca.gov/lobbying/> and is expected to be updated monthly throughout the Legislative Session. The data on which the Directory is based is also found at this website, providing easy access to information on specific lobbying entities, as well as the ability to perform certain types of information searches. The data is updated frequently to reflect changes in employer-lobbyist-firm relationships and to record the registration of new lobbying entities.

The Directory is divided into four sections. The first three identify, in order, individual lobbyists, lobbying firms, and lobbyist employers. The fourth groups lobbyist employers by their nature and interest, ranging from agriculture to utilities.

### **LOBBYISTS**

The first section of the Directory presents an alphabetical listing of registered lobbyists. Generally speaking, under the Political Reform Act, a lobbyist is a person who is paid for directly communicating with government officials in order to try to influence legislative or administrative actions, such as bills and regulations. This section includes lobbyists' photographs, telephone numbers, and business and mailing addresses. If a lobbyist is associated with a lobbying firm, the name of the firm is provided. If a lobbyist is employed directly by a lobbyist employer, the name of the employer is shown.

## **LOBBYING FIRMS**

The second section of the Directory provides an alphabetical listing of lobbying firms. Lobbying firms contract with one or more clients to provide lobbying services on their behalf. This section includes names of lobbying firm officers, telephone numbers, business and mailing addresses, names of lobbyists associated with firms, and the clients they represent.

## **LOBBYIST EMPLOYERS**

The third section of the Directory offers an alphabetical listing of lobbyist employers. Included are the names of responsible officers, telephone numbers, and mailing addresses. Under the heading “Lobbyists” are the names of lobbyists employed directly by that employer. Under the heading “Lobbying Firms” are the names of firms authorized to represent that employer.

## **LOBBYIST EMPLOYERS BY CATEGORY**

Employers of lobbyists are categorized in the fourth section of the Directory in accordance with the nature and interest of their lobbying activity. There are 19 categories, ranging from agriculture to utilities, with employers listed alphabetically within each applicable category. Employers determine the category in which they wish to be listed.

## **FINANCIAL DISCLOSURE**

Lobbyists, lobbying firms, and lobbyist employers file financial disclosure reports with the Secretary of State’s Office on a quarterly basis throughout the two-year legislative session. Reports are filed in electronic and paper formats, depending on activity. The electronic filings are posted on the Secretary of State’s website, <http://cal-access.sos.ca.gov/lobbying/>. The paper versions may be viewed and copies purchased at the Secretary of State’s Political Reform Division, 1500 11<sup>th</sup> Street, Room 495, Sacramento, CA. The reports contain such information as the sources and amounts of payments for lobbying purposes and the identities of the legislative measures and administrative agencies lobbied.

## **PURCHASE OF PRINTED DIRECTORY**

A CD version (Excel Format) is available for purchase from the Secretary of State’s office at 1500 11<sup>th</sup> Street, Room 495 Sacramento CA 95814 or by order at <http://www.sos.ca.gov/campaign-lobbying/public-services/data-processing-service-request-form/>. A PDF version of this directory can be obtained without charge online at [http://prd.cdn.sos.ca.gov/Lobbying\\_Directory.pdf](http://prd.cdn.sos.ca.gov/Lobbying_Directory.pdf).

Due to budget constraints, the Lobbying Directory is not being printed in hard copy this Legislative Session. However, a printable PDF version of the Directory will be updated monthly and available as noted above.
