2009 UW-Stout Football Preview

When third year UW-Stout head football coach Duey Naatz looks over his 2009 roster, one thing jumps off the page - a large number of seniors.

Twenty-three, to be exact.

"This is a good, big group of kids that have played a lot of football," Naatz said.

And the junior class, while not quite as large as the senior class, still is formidable with 17 juniors on the preseason roster. These juniors and seniors will form the nucleus of this year's team.

Offensively, the Blue Devils, who finished 5-5 overall, 3-4 in the WIAC last season, return eight of 11 players listed as starters in the final game of the season. Defensively, Stout will return seven players that were listed as starters that final day of November.

The Blue Devils wanted to improve their running game in 2008 and they did, finishing second in league with 184.4 yards per contest, improving more than 50 yards from the previous season where they finished seventh in rushing as a team.

Not surprisingly, the tailback position accounted for the majority of Stout's rushing prowess as **Craig Warminski** (So, Stanley) and **Trevor Fiege** (So, Menomonie) split the load.

Both transfers to the program last year, coming in after redshirting at Division II schools, Warminski earned first team all-conference honors, averaging 5.8 yards per carry and 85.9 yards per game. Warminski last season was the first Stout back to put together back-to-back 200-plus yard games when he ran for 250 yards against UW-River Falls, then backed that up with a 207 yard

effort the next week against UW-La Crosse.

Warminski also scored a team-high eight touchdowns and pulled in 10 passes for 78 yards.

Fiege finished the season averaging 4.3 yards per carry and 52.8 yards per game. But Fiege is going to make the switch to defense as a linebacker this season.

"We had to find a way to get both players on the field," Naatz said. "While we had talked about it, Trevor came to us and asked us about playing defense. He played there in high school and knows the position."

Even with Fiege moving, the Blue Devils are at no lack for tailbacks.

Ron Fricke (Sr, Albertville, Minn) saw considerable time two years ago and averaged 3.5 yards per tote last season. Carlos Concepcion (Jr, Milwaukee) should get a chance to show off the speed he uses as a sprinter on the Blue Devil track team. Paul Bernier (So, Lakeville, Minn) should see some time in the backfield.

"We will be looking to these people to take some pressure off Warminski," Naatz said.

Returning at quarterback will be **Kyle Provos (Sr, Brooklyn Park, Minn)**, but he
will be challenged by sophomores **Aaron Kobes (Two Rivers)** and **Ross Carey (Little Suamico)**. Kobes saw action last year as a
wide receiver and also took a snap or two.

Provos was the team's third leading rusher with 3.4 yards per carry and 241 total rushing yards while starting all 10 games. He threw for 12 touchdowns while completing 148-of-294 passes for 1544 yards.

The Blue Devils' leading receivers last season tended to be a talented group of tight ends.

Patrick Mengelkoch (Jr, Champlin, Minn) was the team's leading receiver last year with 39 catches for 438 yards and five touchdowns. John Sherman (Sr, Cokato, Minn), a converted fullback, was the team's third leading receiver with 19 grabs for 207 yards and a score. Brandon Reim (Sr, Fond du Lac) and Austin Schwartz (So, Waconia, Minn) will also be expected to see time as a tight end.

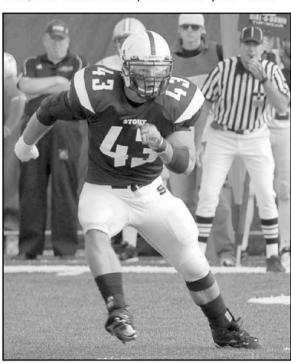

Antawan Walker (Sr, Palm Beach Gardens, Fla) and Nate Schoenecker (Jr, Watkins, Minn) return as the top receivers. Walker had 32 catches and averaged 10.7 yards per catch. Schoenecker had 10 passes for an average of 7.6 yards per catch.

Kyle Wilson (Sr, Eagan, Minn), will switch from running back to wide receiver. Eric Cieslak (Sr, Rochester, Minn) may return and Kobes could see some time at receiver. Kicker/punter Kyle Martin (Sr, Hubertus) will also line up as a receiver.

The offensive line returns with all-conference tackle **Nate Newholm (Sr, Burlington)** and three year center starter **Cody Weltzin (Sr, Cadott)**.

Newholm, a team captain, excelled last season after a switch from the defensive side of the ball. "We think he found his home," Naatz said.

Tyler Butzler (So, Tomah) earned a starting role opposite Newholm last year as a freshman. Jason Lato (Jr, Thorp) and Jake Graycarek (Sr, Green Bay) swapped starting roles throughout the season. Isaiah Skenandore (Sr, DePere), Jason Horzewski (Jr, Princeton) and Weston Spiering (Sr, Green Bay) have been very familiar with the field the last several years. TJ Lau (So, Green Bay)

Defensive lineman Marcus Ball (far left) and running back Craig Warminski were both first team all-WIAC selections last fall. Cody Weltzin (No. 64, pictured with Warminski) was an honorable mention all-WIAC selection and returns for his fourth season as a starter at center. Ball is a 2009 preseason All-American selection.

2009 Preview, cont.

and **Josh Kubeck (Jr, Waukesha)** are expected to work their way onto the field.

Defensively, **Marcus Ball (Sr, Austin, Minn)** has been receiving most amount of attention. After an All-American season where he racked up a league-high 13 sacks and 24.5 tackles for losses of 107 yards, it's not difficult to see why the defensive end is grabbing pre-season honors.

Ball, a team captain, was named to the D3football team of the week for two consecutive weeks after he recorded 3.5 sacks against River Falls, and 3.0 sacks the next week against La Crosse.

"His work ethic can only make him better," Naatz said.

Joining Ball on the defensive line will be end **Greg Towner (Sr, Onalaska)** and **Cord Unbehaun (Jr, Chetek)**. The Blue Devils will be looking to replace two-time all-conference nose tackle Scott Riha with **Mitch Ruesch (So, New London)**, **Cody Price (Jr, Cottage Grove)** or **Justin Rindt (Jr, Grafton)**.

The linebackers will have a new look, but not new faces.

Fiege makes the switch to linebacker, but Fiege played his share of defense on special teams, forcing a special team fumble in backto-back weeks.

Ryan Pearcy (So, Plover) and Jamin Ramsey (Sr, Lodi) will get their chances at linebacker. Pearcy showed an opportunistic side last season, recovering a blocked punt for a touchdown against Missouri S&T. Ramsey was a back-up linebacker last season.

The defensive backfield lost a couple of key players in all-conference pick Jake Pomputis and Brock Stimson, but return starters Andrew Jeske (Sr, Glenwood City), Shay Lehman (Sr, Edgar) and Kendall Wade (Sr, Milwaukee). Justin Crooks (Sr, Wausau) will step back from linebacker to take over the strong safety spot. Adam Churchill (Jr, Plum City), who played in all 10 games last year as a cornerback, is expected to slide over to free safety.

Overall defensively, the Blue Devils finished third in the WIAC, allowing 291 yards per contest.

On special teams, Kyle Martin returns as the punter and place kicker. Martin was the team's leading scorer last year with 49 points. He has not missed an extra point attempt (43-for-43) in his collegiate career. Martin ranked fourth in the WIAC in punting with 36.2 yards. Attributing to Martin's success has been his long snapper, **Mike Bryan (Sr, Rochester ,Minn)**, who has been with Martin throughout his career.

Overall, Naatz likes his squad and likes his chances for the 2009 season.

Recruiting can be the lifeline of a collegiate program, and Naatz believes this class is a talented bunch.

"We think our recruiting class is very good," Naatz said. "We expect some of the newcomers to help us this season."

"We are excited for the season to get underway," Naatz said. "We think we will have a good year."

The Blue Devils open their season Saturday, Sept. 5 by hosting Simpson College at 1 p.m. at Don & Nona Williams Stadium.

2009 UW-Stout Coaching Staff

Head Coach Duey Naatz

Duey Naatz begins his third season as head coach for the Blue Devils.

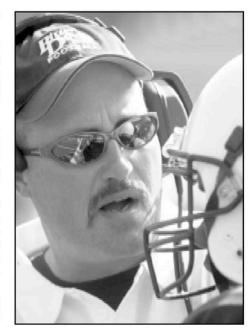

Naatz, who was a UW-Stout assistant coach under three different head coaches, was named the head coach in January, 2007. Naatz begins his 19th year with the Blue Devils where he has coached the defensive backs, running backs and offensive line. Prior to being named the head coach in 2008, Naatz had been the assistant head coach for eight seasons and was also the offensive coordinator.

Over the years at Stout, Naatz has worked with several All-Americans, including linemen Jason Lehman, Josh Towner, Jeff Hutter and Ben Knepper, as well as quarterback Matt Bunyan, who led

NCAA Division III in total offense and running back Luke Bundgaard, who set school rushing and scoring records. Naatz also coached Lehman to a national shot put title in track.

A graduate of Moorhead (Minn.) State and a varsity football letterwinner, Naatz has been Stout's strength and conditioning coordinator for all sports. He has served as an assistant track coach where he worked with the weight events, producing a national champion and numerous All-America winners. His weight programs consistently produce National Strength and Conditioning Association All-Americans. He has been the physical education and athletic department's facility manager, has coordinated the physical education curriculum schedule and has been the coaching minor coordinator.

A native of Wheaton, Minn., Naatz came to Menomonie from the University of North Dakota where he served as a graduate assistant for the NCAA Division II Fighting Sioux football team.

Naatz and his wife, Kay, have two sons, Tyler and Adam. He is active in the community, working with his church youth group, youth baseball and basketball programs and has served as the chair of the local Ducks Unlimited chapter. An avid outdoorsman, Naatz enjoys hunting and fishing. Naatz is also an instructor in the UW-Stout Physical Education Department and is a facilities coordinator.

Sean Hoolihan - Offensive Coordinator/Quarterbacks

Sean Hoolihan begins his third year as the offensive coordinator after two years as the Blue Devils' quarterback coach, but the former UW-Eau Claire standout quarterback is very familiar with the league and the area. In addition to overseeing the offense, Hoolihan will work specifically with the quarterbacks. The Spring Valley, Wis., native led the Blugolds to the 1998 NCAA Division III semi-final. Hoolihan, a first team all-WIAC pick and three year starter at Eau Claire, played and coached professional football in Germany for the Franken Knights, where the Knights won the league championship. Hoolihan went on to serve as a graduate assistant football coach at the University of Minnesota-Duluth. He then played professionally for a number of indoor football leagues: the Peoria Pirates (AFL2), the Duluth Lumberjacks (IFL) and the La Crosse Night Train (NIFL). Hoolihan went on to teach at Wadena-Deer Creek, Minn, High School, where he was the football offensive coordinator and the head women's basketball coach. Hoolihan is an intructor in the UW-Stout Physical Education department, is the event management coordinator and

is pursing his masters in education. Hoolihan currently resides in Spring Valley.

Clayt Birmingham - Defensive Coordinator/Linebackers

Clayt Birmingham begins his third season as the UW-Stout defensive coordinator. Birmingham will work specifically with the linebackers. Birmingham, a former all-conference defensive back at UW-Stevens Point, has coached on the college level at Division I, II and III schools, as well as coached one summer professionally in Europe. In the summer of 2008, Birmingham traveled to Europe with USA Football on a Coaching Instructional Tour to European youth. In the summer of 2007, Birmingham was a member of the coaching staff for the US National Football team that competed at the World Championship of American Football in Japan and also was an assistant coach in the Aztec Bowl. Birmingham coached five seasons (2006, 2005, 2003, 2002, 2001) at Division II Emporia State in Kansas where he was the defensive coordinator and worked individually with the defensive line and defensive backs. Under Birmingham's direction, the Hornets defense allowed only 284.7 yards per game in 2003. The Hornets' defense ranked 17th nationally in 2003 and posted a record of 9-3, advancing to the NCAA Division II playoffs. Birmingham

spent two seasons at NCAA Division I Western Michigan, as the defensive secondary coach in 2004 and as a graduate assistant defensive coach in 2000. The 2000 Broncos were 9-3 and won the West Division of the Mid-American Conference. His duties included coaching the defensive secondary, film breakdown and defensive quality control. In 1998-99, Birmingham was a graduate assistant receivers coach at Northern Michigan. He spent the summer of 1998 as the head coach of the Stockholm's Swedish National Championship team in the European Federation of American Football, leading the team to an 11-3 record. Birmingham's first coaching experience was at his alma mater UW-Stevens Point from 1996-97 where he coached the secondary and outside linebackers, including the Detroit Lions 1999 sixth round draft pick Clint Kriewaldt. A four year starter, Birmingham was a two-time All-Wisconsin Intercollegiate Athletic Conference (WIAC) defensive back at UW-Stevens Point (1995, 1994). In 1994, Birmingham was the WIAC interceptions co-leader. Birmingham is a native of Sturgeon Bay and a graduate of Southern Door High School.

Thomas is the Blue Devils' women's basketball coach where five times he has been named the WIAC coach of the year and once the regional coach of the year. Thomas took the women's basketball program from a few wins a year to 10 national appearances in either the NAIA or NCAA tournaments. Thomas, a UW-Superior graduate, coached the girl's basketball team and was an assistant football coach at Spring Valley High School, his alma mater. The WIAC

All UW-Stout men's and women's varsity athletic teams are members of the Wisconsin Intercollegiate Athletic Conference (WIAC), a merged conference of the Wisconsin State University Conference (WSUC) and the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC). The two conferences officially merged as of July 1, 1997.

Patterned after the NCAA, the purpose of the WIAC is "to regulate, supervise and control athletic contests between the universities in the conference in order that athletic activities in the conference universities may be maintained on an ethical plane in keeping with the dignity and high purpose of education."

The WIAC requires that student/athletes maintain full-time student status, maintain a grade point average of at least 2.0 and progress towards a degree. The WIAC sponsors its own scholastic honor roll program to recognize students who maintain high academic standards. Member universities are prohibited from using gifts and other financial incentives to recruit athletes to the university. The organization promotes fair play, quality leadership and gender equity. It serves to increase public understanding of and appreciation for the importance and value of athletics for men and women.

In announcing the merger, WIAC commissioner Gary Karner stated the merger will provide for greater consistency between the men's and women's programs and will result in significant cost savings as compared to the previous structure. He said he believed the new conference will result in increased public recognition and be less confusing because both the men's and women's programs will be administered under a single conference structure.

Two of the top NCAA Division III conferences in the nation – the conferences have accounted for a combined 18 NCAA national championships over the last four years – many believe the WIAC will not only maintain, but enhance

the reputation enjoyed jointly by the WWIAC and WSUC as one of the premier small college conferences.

Karner joined the conference office in the summer of the 1996, returning to Wisconsin after an eight-year

stint with the NCAA national office as a compliance officer. A native of Milwaukee and a UW-Stevens Point graduate, Karner worked as an administrative intern in the WSUC office while working on his doctorate degree from UW-Madison.

The WSUC started in 1913, while the WWIAC planted its first roots in 1913 and officially formed in 1971.

Athletic opportunities at UW-Stout are: for women, volleyball, cross country, soccer, tennis, basketball, golf, gymnastics, softball and indoor and outdoor track and field; and for men, football, cross country, basketball, golf, ice hockey, baseball and indoor and outdoor track and field.

Other members of the WIAC are: UW-Eau Claire, UW-La Crosse, UW-Oshkosh, UW-Stevens Point, UW-Platteville, UW-Whitewater, UW-Superior and UW-River Falls.

The UW-Stout ice hockey team is also a member of the Northern Collegiate Hockey Association (NCHA), a conference made up of six other NCAA Division III schools in Wisconsin, Minnesota and Illinois. The NCHA consists of UW-Stout, UW-River Falls, UW-Eau Claire, UW-Stevens Point, UW-Superior, St. Norbert College, and the College of St. Scholastica (Minn.). The five University of Wisconsin schools also form a hockey league within the WIAC.

The NCAA

To many people, the National Collegiate Athletic Association is a building in Indianapolis, Ind., from which legislation is enacted

and enforced upon its member institutions.

Yet, to more than 1,000 colleges, universities, conferences and related organizations, the NCAA is the organization through which its members speak. It is a voluntary association devoted to the sound administration of intercollegiate athletics.

Through the NCAA, member institutions consider an athletics problem that has crossed regional or conference

lines and has become national in scope. The Association, through its members, strives to maintain intercollegiate athletics as an integral part of the educational program and the athletes as an integral part of the student body.

The NCAA also stands for good conduct in intercollegiate athletics and serves as the colleges' national athletics accrediting agency.

The organization and its members recognize that creating an equitable college environment for its student-athletes is among their highest priorities. Working together to enact rules, policies, procedures and organizational goals, its members strive for the common goal of the academic integrity of their programs.

Just as integrity is a key in the academic program, it is also a component in the competition between the NCAA's members. the NCAA and its staff are charged with enforcing the rules and regulations that the institutions vote on and impose upon themselves.

The NCAA administers 79 championships in 21 sports for its member institutions, involving nearly 21,000 men and women stu-

dent-athletes. There are 23 championships on the Division I level, 23 on the Division II level and 24 for Division III members, along with nine sports that have National Collegiate Championships for which all divisions are eligible.

Beyond its annual championships, the NCAA also places a high priority on honoring its members and student-athletes, evident in its honor program and postgraduate scholarship programs.

The honors program recognizes accomplishments of current and former outstanding student-athletes, while the postgraduate scholarship program annually honors 154 high ranking college student-athletes who are in their last year of intercollegiate competition by providing them scholarships of \$5,000 each.

Division III Philosophy

UW-Stout supports the NCAA Division III philosophy which places special importance on the impact of athletics on participants rather than on spectators and place greater emphasis on internal constituents (students, alumni and special friends) than on the general public and its entertainment needs. To achieve this end, the University's athletic programs will: 1.) encourage participation by maximizing the number and variety of athletic opportunities in varsity, junior varsity, club and intramural sports; 2.) direct athletic programs to consider students first rather than spectators; 3.) ensure the integration of student-athletes into institutional life; 4.) support students in their efforts to reach high levels of performance by providing them with adequate facilities, competent coaching and appropriate competitive opportunities with students from similar institutions, and: 5.) give primary emphasis to in-season competition, although institutional goals may encompass competitive excellence in a postseason format.

This is UW-Stout

UW-Stout was founded as a private institution in 1891 by James H. Stout, a Menomonie industrialist who envisioned that students in America's developing industrial society needed an education broader than that offered by the traditional curriculum. Since its founding, Stout has gained a position of national leadership in industrial, vocational and home economics education. Its programs in those fields are among the largest in the nation and although Stout is a career-oriented university, humanities and social sciences are key parts of the total educational program. In 2001, Stout was awarded the Malcolm Baldrige National Quality Award, the first four year university in the country to receive the prestigious award, and also rolled out the school's laptop computer program, ensuring that each enrolled student has personal network access. In 2007, UW-Stout was designated as a polytechnic university, the first and only such school in Wisconsin.

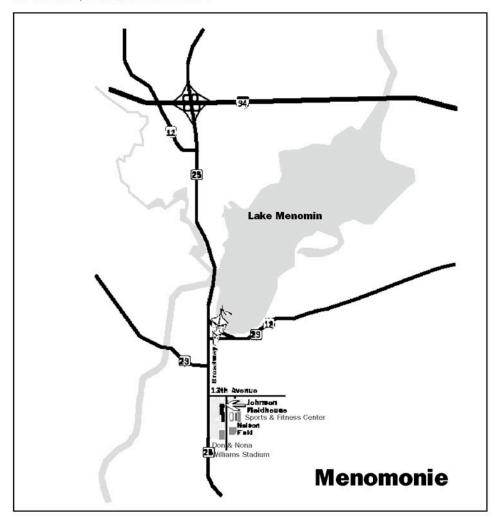

The university is one of 13 publicly supported universities in the University of Wisconsin System, and is the only campus named after its founder and not the city it is located in. Stout has also become known for its excellent placement record and welcomes more than 200 major companies to campus annually.

Modern and well-equipped facilities mark Stout's 115-acre campus, as seven major classroom and laboratory buildings have been constructed or extensively remodeled since the early 1970s. The Library Learning Center was completed in 1981, the Memorial Student Center was completed in 1985 and a major addition to the Physical Education building was completed in 1988. Micheels Hall, which connects Jarvis Hall and Applied Arts, was opened in 1996 and houses the university's computer lab. State-of-the-art Millennium Hall opened its doors in 2001. The Recreation Complex opened in 2001, which includes Don & Nona Williams Stadium, Alumni Field for softball, a renovated Nelson Field for soccer and additional recreational facilities. A new science-technology facility is near completion in 2009.

Situated in the small, west-central Wisconsin town of Menomonie on the shores of man-made Lake Menomin, the Stout campus is home to 8400 students, who come from more than 30 US states and 35 foreign countries. More than \$200,000 in student activity funds are administered by student government, and there are more than 120 student clubs and organizations on campus, including national fraternities

The city of Menomonie is home to approximately 14,000 people, serves as the county seat of Dunn County and has many historical and recreational points of interest. By being centered in the city of Menomonie itself, the campus is adjacent to the downtown business district, which makes it an attractive, convenient and accessible campus setting.

Major entertainment and cultural activities are also available on campus, in the community and in the Twin Cities, about an hour west on I-94.
