**EXT. MOVIE THEATER N - NIGHT**

An old and wise person and a young person stand in front of a Star Wars movie poster after seeing the movie. The old person is staring at the poster with a big smile on their face, while the young person is looking back and forth from the poster to the old person face and sighs as to brake the silence.

YP

(smiling) That was a great movie...

(confused) but I don't understand one thing.

The old person turns to the young person with a serious expression and stares at them without blinking getting closer and closer to the young persons face.

OP

Hum,

Old person gets even closer to the young persons face.

The young person is backing away a little with a bit of a fear expression on their face.

OP (CONT'D)

what's that?

Young person smiles nervously

YP

I don't understand how anyone can be seduced by the dark side.

The OP backs away slowly without taking their eyes from the YP, then touches their chin with their right hand and looks to the starred sky. Meanwhile The YP is searching with their eyes for a possible way to escaping from this weird and very freaky situation. As the YP is starting to make their move to start running the OP quickly grabs hard the YPs arm and puts out a lightsaver.

OP

(yelling)  
What computer do you use at home?!

The young persons immediately responds

YP  
(Shaking)

A Macintosh.

The older person slowly puts the weapon down holding their gaze, starts laughing, pats on the young persons shoulder and says...

OP  
But what computer does your  
father use at work?

The young person thinks for a while and sighs in relief then forces a smile faking amazement, exclaiming loudly

YP  
Seduced by the Dark Side!  
(starts laughing-turns  
face to the left and  
rolls their eyes)

The older person let go the young persons arm and smiles knowingly at them. The young person is very confuse and angry knowing he has just learned a very important lesson in a very strange and unnecessary way.

They walk away.

FADE TO BLACK.
