MEDIA INFORMATION

IMPORTANT: All media procedures, seating and access is subject to change based on the recommendations of public health authorities. All accredited media will be notified of any changes.

ACCREDITATION

Accreditation can be picked up in the front lobby below the main staircase and can be accessed by the main entrance doors. Hours for pickup are Sept. 21-22: 1 pm - 10 pm; Sept. 23: 10 am - 10 pm; Sept. 24: 10 am - 6 pm; Sept. 25: 9:30 am - 4 pm.

All media badges issued for the PointsBet Invitational are non-transferable. Failure to follow this rule will result in forfeiture of your media credential.

MEDIA BENCH

A media bench has been set up at the southwest corner of the concourse on the home end. The bench offers wireless Internet, electrical outlets and TV's.

MEDIA WORKROOM

A media workroom is set up at the southeast corner of the concourse on the away end.

It will open 30 minutes before the first draw of the day and close roughly one hour after the last draw.

The media room has electrical outlets, wireless Internet, a printer and television to assist in the production and distribution of media materials and media services.

INTERVIEW REGULATIONS/PROCEDURES

You will be required to fill out interview request forms, which will be available on the media bench and in the media room. The forms will be gathered as the draw progresses and will be handed to requested players at the completion of their games.

All post-game media interviews will be conducted in a physically-distanced scrum format at ice level in a designated space adjacent to the media bench. All players have been instructed to exit through this area on their way to the dressing rooms. Every effort will be made to escort players to the specified area as quickly as possible after each draw.

Media will have the option of wearing masks in the building. **While optional, wearing a mask is strongly recommended.**

DRAW STATISTICS

A statistical report will be produced and limited copies distributed to the media shortly (about 15 minutes) after the conclusion of each draw. Live scores and stats can be viewed online at the Curling Canada website (www.curling.ca).

If you would like to receive the Draw Stats media report by email, please contact Al Cameron (media@curling.ca or 403-463-5500)

CURLING CANADA PHOTOGRAPHY GUIDELINES

All photographers must be identified with a B4 credential. You must also wear black/dark colour clothing and shoes.

In general, you are allowed to shoot from positions between the hoglines (starting about two metres from each hogline) on the carpeted areas separating the game sheets; in the corners of the arena; or behind the hack signs/scoreboards, provided you are not obscuring the vision of the spectators, blocking the scoreboard or in the way of the players.

Before entering the ice surface, please ensure that you have used the shoe cleaner, located near the home-end entrance, to remove dust, dirt and other particles from your shoes.

You are not allowed on the ice surface at any time.

Also:

- Flashes are not allowed.
- If you are carrying a mobile device, turn it to silent before entering the ice surface.
- No video can be shot from inside the boards.
- Please photograph from a sitting or squatting position; not standing or kneeling. Please shift your position at appropriate intervals to not consistently block the view of the same spectators.
- When moving along the walkway, ensure that no player is in the process of delivering a rock. If the curler is delivering, please wait until the deliver is complete before crossing the carpet at the end of the sheet.
- When a player is about to deliver a stone, you must be behind the hack signs/scoreboards, or situated between the hoglines.
- For playoff games, special instructions will be issued for photo locations in conjunction with the location of TSN's cameras. In general, though, you should avoid being in the TSN shot at all times.

Thank you for your co-operation.

Failure to adhere to these regulations could result in the forfeiture of your photography credential.

FACT SHEET

OFFICIAL NAME: 2022 PointsBet Invitational

DATE/SITE: Sept. 21-25 - Willie O'Ree Place, Fredericton, N.B.

SEATING CAPACITY: 1,488

FORMAT: Sixteen men's and women's teams compete in a single-elimination tournament to determine one men's and one women's winner.

The 16 teams in each gender comprise the top 12-ranked teams on the revamped World Curling Team Ranking System; the reigning women's and men's Canadian junior champions; the reigning women's and men's Canadian club champions; host committee-selected men's and women's teams; and a sponsor exemption team in both the men's and women's divisions.

INTERNET: Draw results and event information can be obtained at:
<https://www.curling.ca/2022pointsbetinvitational/>

TELEVISION: TSN, RDS2 (All draws), ESPN3

WINNERS EARN:

- All teams receive \$5,000
- \$3,000 - Sweep 16 win
- \$6,000 - Elite 8 win
- \$12,000 - Final 4 win
- \$24,000 - Men's or women's final win

- \$50,000 to winning men's and women's teams

GAME DURATION: Teams must play a minimum of eight ends before conceding.

GAME TIMING: Teams will each have 19 minutes of thinking time to play ends one through five. In the sixth end, each team's time resets to 19 minutes for the second half of the game. All teams will receive two 90-second timeouts, to be used at any time during the game.

If a team runs out of time, it will not be allowed to complete the remainder of the set of ends where the time was lost. The team with time remaining may continue delivering stones within their allotted time.

A team's clock begins:

- Once the opposing team has completed their shot, all rocks have come to rest and moved behind the back line; AND
- the opposing team's sweepers have moved to the side of the sheet; AND
- the opposition in charge of the house has relinquished control of the house; AND
- the person in charge of the house (the delivering team) has taken control of the house.

A team's game clock stops once the stone has reached the nearest tee-line at the delivery end.

TIMEOUTS: Each team is allotted two 90-second time outs during the game. Timeouts can be used at any point during the game.

TIES: If teams are tied following the 10th end, they will each throw a single draw to determine the victor.

- Each team will choose one team member to throw.
- The team that would have had hammer in an extra end will have the choice of turn and will throw second.
- The team that would not have hammer in an extra end will throw first and will throw the opposite turn from the one selected by its opponents.

**ROCKS, COLOUR,
LAST STONE DRAW:**

The stones are Curling Canada stones, most recently used at the 2019 Scotties Tournament of Hearts and 2019 Tim Hortons Brier. These stones were not used in the Calgary ‘bubble’ or during the 2021-22 season.

During pool play, first-named teams will practise first, deliver red stones and use the clockwise rotation for the last-stone draw. The second-named team will practice second and deliver yellow stones and use the counter-clockwise rotation for the last-stone draw.

Only the four ‘game’ players are allowed on the ice surface for the Last Stone Draw. Full sweeping is allowed, however, one of the four players must hold the target broom.

Both teams will name the two (2) different players to deliver Last Stone Draw stones prior to the start of the first (or red team) practice.

After pre-game practice, the two different players will each deliver one (1) stone to the button; both stones will be measured and totaled.

If the second team registers the same two-stone distance as the team with first practice, the teams will alternate delivering one (1) stone with their designated rotation until the tie is broken. Any player on the team can deliver the third and any subsequent stones including the players who delivered the first two stones.

Only the combined distance of the first two stones delivered will be registered for the accumulated distance.

At the conclusion of the round robin, the two (2) highest individual recorded distances will be discarded to establish the accumulated distance. Each of the four players will deliver a minimum of two (2) stones to determine the Last Stone Advantage.

A stone not delivered within the time allotted by the umpire will be assigned a distance of 185.40 cm (the stone must reach the near tee-line before the time expires).
