## ACCREDITATION

Accreditation can be picked up near the media entrance at Gate 3. Hours for pickup are March 3-12, 9 a.m. - 10:30 p.m.

**All media badges issued for this event are non-transferable. Failure to follow this rule will result in forfeiture of your media credential.**

## MEDIA BENCH

A media bench has been set up at the west side of the concourse on the home end. The bench offers wireless Internet and electrical outlets.

## MEDIA WORKROOM

A media workroom is set up at the southwest corner at ice level near the home end.

It will open 30 minutes before the first draw of the day and close roughly one hour after the last draw.

The media room has electrical outlets, wireless Internet, a printer and television to assist in the production and distribution of media materials and media services.

## INTERVIEW REGULATIONS/PROCEDURES

You will be required to fill out interview request forms, which will be available on the media bench and in the media room. The forms will be gathered as the draw progresses and will be handed to requested players at the completion of their games.

All post-game media interviews will be conducted in a scrum format at ice level in a designated space adjacent to the media bench. All players have been instructed to exit through this area on their way to the dressing rooms. Every effort will be made to escort players to the specified area as quickly as possible after each draw.

## DRAW STATISTICS

A statistical report will be produced and limited copies distributed to the media shortly (about 15 minutes) after the conclusion of each draw. Live scores and stats can be viewed online at the Curling Canada website ([www.curling.ca](http://www.curling.ca)).

**If you would like to receive the Draw Stats media report by email, please contact Al Cameron ([media@curling.ca](mailto:media@curling.ca) or 403-463-5500)**

# CURLING CANADA PHOTOGRAPHY GUIDELINES

**All photographers must be identified with a B4 credential. You must also wear black/dark colour clothing and shoes.**

In general, you are allowed to shoot from positions between the hoglines (starting about two metres from each hogline) on the carpeted areas separating the game sheets; in the corners of the arena; or behind the hack signs/scoreboards, provided you are not obscuring the vision of the spectators, blocking the scoreboard or in the way of the players.

Before entering the ice surface, please ensure that you have used the shoe cleaner, located near the home-end entrance, to remove dust, dirt and other particles from your shoes.

You are not allowed on the ice surface at any time.

Also:

- Flashes are not allowed.
- If you are carrying a mobile device, turn it to silent before entering the ice surface.
- No video can be shot from inside the boards.
- Please photograph from a sitting or squatting position; not standing or kneeling. Please shift your position at appropriate intervals to not consistently block the view of the same spectators.
- When moving along the walkway, ensure that no player is in the process of delivering a rock. If the curler is delivering, please wait until the deliver is complete before crossing the carpet at the end of the sheet.
- When a player is about to deliver a stone, you must be behind the hack signs/scoreboards, or situated between the hoglines.
- For playoff games, special instructions will be issued for photo locations in conjunction with the location of TSN's cameras. In general, though, you should avoid being in the TSN shot at all times.

Thank you for your co-operation.

**Failure to adhere to these regulations could result in the forfeiture of your photography credential.**

# FACT SHEET

- OFFICIAL NAME:** 2023 Tim Hortons Brier, presented by AGI
- DATE/SITE:** March 3-12, 2023 - Budweiser Gardens, London, Ont.
- SEATING CAPACITY:** 9,090
- FORMAT:** Eighteen teams (14 Member Association provinces and territories, Team Canada and three Wild Card teams) will compete in two pools of nine.

Teams will play eight games in their respective pools. At the conclusion of the eight games, the top three teams in each pool advance to the playoffs.

If necessary, only one tiebreaker draw per pool will be scheduled for Friday, March 10, at 8:30 a.m. If there is a tie between more than two teams for the third playoff spot, teams will be eliminated by head-to-head record first and then by accumulated last stone draw to determine the two teams that will play in the tiebreaker game. Tiebreaker games will only be played if teams have a better than .500 record (5-3 or better).

The second- and third-ranked teams in each pool crossover to play in a Page playoff qualifying games on Friday afternoon. The winners advance to the Page playoff seeding games on Friday night to play the top-ranked teams in each pool (2nd in B/3rd in A vs. 1st in A & 2nd in A/3rd in B vs. 1st in B). The winners of the Page playoff seeding games advance to the Page 1v2 game and the losers advance to the Page 3v4 game.

The Page playoff 3v4 game is scheduled for Saturday afternoon with the winner advancing to the semifinal. The Page playoff 1v2 game will be on Saturday night where the winner advances to the final and the loser drops to the semifinal. The semifinal game is scheduled for Sunday afternoon, with the winner advancing to the final on Sunday night.

- INTERNET:** Draw results and event information can be obtained at:  
<https://www.curling.ca/2023brier/>
- TELEVISION:** TSN, RDS2 (All draws)
- WINNERS EARN:** The right to represent Canada at the 2023 BKT Tires & OK Tire World Men's Curling Championship, at TD Place in Ottawa from April 1-9.

**Total purse:** \$300,000

**1st:** \$108,000

**2nd:** \$60,000

**3rd:** \$40,000

**4th:** \$20,000

**5th & 6th:** \$10,000

**7th-10th:** \$6,000

**11th-14th:** \$4,500

**15th-18th:** \$2,500

**GAME DURATION:** Teams must play a minimum of eight ends during a round-robin game before conceding. Where necessary, tiebreakers are a minimum of eight ends played. Playoff games are a minimum of 10 ends.

**LAST STONE DRAW (LSD):** Last stone advantage will be determined by the Last Stone Draws before each Round Robin game.

Both teams will name the two players delivering the Last Stone Draws before the first team practice.

At the conclusion of each team's pre-game practice, two stones will be delivered to the tee at the home end, by different players – the team with the first practice will deliver the clockwise rotation while the team with the second practice will deliver the counter-clockwise rotation.

There will be announcements to deliver the Last Stone Draw's (LSD's). A stone delivered prior to the announcement or NOT delivered within the one minute allotted, will be assigned a distance of 199.60 cm (the stone must reach the near tee-line before the time expires).

The first stone will be measured and removed from play before the second stone is announced to be delivered. The distances recorded for each stone will be added together to give the team its LSD total for that game.

The team with the lesser LSD total will have the choice of delivering the first or second stone in the first end of that game. If the LSD totals for both teams are the same, the individual LSD stones are compared, and the best non-equal LSD has the choice of delivering first or second stone in the first end. When both teams have the exact same individual LSD stone distances, a coin toss will be used to determine that choice.

Stones moved by the delivery team before being measured will be assigned the distance of the next defined circle away from the button.

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to its original position by the delivering team.

Triangulation: any stone covering the tee (or centre pin) will be measured from two separate points 61.00 cm from the tee. These distances will calculate the exact distance from the tee to the centre of the curling stone.

At the conclusion of the pool play round robin, two single highest recorded Last Stone Draw distances will be discarded by each team to establish the final accumulated distance.

Each player must deliver three stones with at least one clockwise and one counter-clockwise rotation during the round robin.

**GAME TIMING:** Thinking time will be used for this event. Each team receives 38 minutes to complete a ten-end game. Extra ends will be four minutes and 30 second (4:30) of thinking time for each team. A team's clock begins:

- Once the opposing team has completed their shot, all rocks have come to rest and moved behind the back line; AND
- the opposing team's sweepers have moved to the side of the sheet; AND
- the opposition in charge of the house has relinquished control of the house; AND
- the person in charge of the house (the delivering team) has taken control of the house.

A team's game clock stops once the stone has reached the nearest tee-line at the delivery end.

**NO-TICK ZONE:** If prior to the delivery of the sixth stone of an end, the delivered stone causes - either directly or indirectly - an opposition stone in the Free Guard Zone (FGZ) which is touching the centre line to be moved to an off-centre position, to a position outside the FGZ or out of play, the non-offending team has the option to:

1. Remove the delivered stone from play and replace all stones that were displaced to their positions prior to the violation taking place, or;
2. leave all stones where they came to rest.

**TIMEOUTS:** Each team is allotted two, 90-second timeouts. The timeout must be signaled to the umpire and time clock operator. Either a coach OR alternate may attend the timeout, but not both.

The team that did not call the timeout may meet with their coach/alternate positioned behind the scoreboard.

Breaks between ends one through five and six through 10 are 90 seconds. Teams may meet with their coach/alternate between these ends, however the coach/alternate must stay behind the scoreboard.

The fifth-end break will be five minutes.

There will be a one-minute break prior to an extra end. Both teams will receive one 90-second timeout to play in any extra end during that game.

**TIE-BREAKING:** The following criteria will be used to rank teams at the completion of the round robin games in order:

1. Teams will be ranked based on their respective win/loss records.
2. If **two** teams are tied with the same record, the team that won the round-robin game between the two teams will be ranked higher.
3. If **more than two** teams are tied, the win/loss records in games between those teams only will determine ranking.
4. If points 1-3 do not determine ranking, then ranking will be determined by using the total distance of the accumulated draw shot distance.
5. If teams remain tied using accumulated distance of last stone draw, the next largest distances for tied teams will be removed until the tie is broken.

**TIEBREAKER GAMES, STONE SELECTION & LAST STONE ADVANTAGE:** If the win/loss records are identical between teams (without using the cumulative last stone draw results) the higher ranked team will have the choice of last stone advantage and the first pre-game practice OR the choice of handle colour.

If the cumulative last stone draw process has been used to determine ranking, the higher ranked team will have choice of colour and second practice. The draw to the button process for last stone advantage shall be used.

All tiebreaker games shall be played with the stones from the assigned sheet.

**PLAYOFF GAMES,  
STONE SELECTION &  
LAST STONE ADVANTAGE:**

**Placement games (Friday):**

- Games will be played with stones from the assigned sheet.
- If the higher-ranked team has a better round-robin win/loss record than its opponent, then it will receive choice of stone colour AND hammer in the first end.
- If the higher-ranked team has the same round-robin win/loss record as its opponent, then it will receive choice of stone colour OR second practice and the teams will draw for hammer.

**Page Playoff 1v2, 3v4 (Saturday):**

- Teams will select any eight game stones of its designated colour to use.
- The team with the better round-robin win/loss record will receive choice of stone colour AND hammer in the first end.
- If both teams have the same round-robin win/loss record, the higher-ranked team receives choice of stone colour OR second practice and the teams will draw for hammer.

**Semifinal (Sunday):**

- Teams will select any eight game stones of its designated colour to use.
- If the loser of 1v2 game has a better round-robin win/loss record than the winner of the 3v4 game, then it will receive choice of hammer AND stone colour.
- If the loser of the 1v2 game has the same or worse round-robin win/loss record than the winner of the 3v4 game, then it will receive choice of hammer OR stone colour.

**Final (Sunday):**

- Teams will select any eight game stones of its designated colour to use.
- If the winner of the 1v2 game has a better round-robin win/loss record than the winner of the semifinal, then it will receive choice of hammer AND stone colour.
- If the winner of the 1v2 game has the same or worse round-robin win/loss record than the winner of the semifinal, then it will receive the choice of hammer OR stone colour.

In 2021 and 2022, the top three non-qualifying teams (Wild Card 1, 2, & 3) were invited to compete due to the Covid-19 pandemic and no Wild Card play-in game was held. In 2023, Curling Canada announced it would keep the three wild card teams at the event, therefore retiring the original Wild Card team that competed for a spot at the event during a Wild Card play-in game.

# HISTORICAL BRIER TIMELINE

- 1927** After two successful Canadian curling tours designed for the purpose of creating camaraderie between western and eastern curlers, a national men's curling championship is organized and features representation from all regions in Canada.
- MacDonald's tobacco increases its sponsorship from a regional to a national level and the event becomes known as the Brier, which is one of the company's brands of tobacco. The official event title was 'The Dominion Curling Championship for the MacDonald's Brier Tankard'. MacDonald's title partnership runs until 1979, while Brier remains in the event's name to this day.
- The first Brier is held in Toronto at the Granite Club and is won by Team Murray Macneill of Nova Scotia. With no formal qualification process, each region selected teams based on its own criteria and included teams from Toronto and Montreal and one team from western Canada.
- All games were 14 ends, with two extra end games played (Northern Ontario vs. Toronto & Quebec vs. Northern Ontario). These 15-end games are the longest in Brier history.
- 1928** The western Canadian team is dissolved and replaced with entries from Alberta, Saskatchewan and Manitoba.
- Games are reduced to 12 ends.
- For the first time, a tiebreaker for first place is held between Manitoba, Alberta and Toronto. The teams play a two-game round robin with Manitoba's Team Gordon Hudson winning.
- 1929** Gordon Hudson, Ron Singbusch and Bill Grant become the first players to win multiple Brier titles and the first to win back-to-back Briers.
- 1930** Howard Wood Sr., Victor Wood and Lionel Wood of Manitoba become the first siblings to win the Brier.
- 1932** Entries from Toronto and Montreal are dropped, reducing the field to eight teams.
- 1936** The field expands to 10 teams with British Columbia and Prince Edward Island joining the Brier.
- 1940** After hosting the event at Toronto's Granite Club for 12 years, the Brier is held outside of Ontario for the first time. The 1940 event is held in Winnipeg and begins the practice of hosting the event across Canada.
- Howard Wood Sr. and Howard Wood Jr. of Manitoba become the first father/son duo to win the Brier.
- 1943** The Brier is suspended due to World War II.
- 1946** After a three-year hiatus, the Brier resumes in Saskatoon.
- 1949** Ken Watson and Grant Watson of Manitoba become the first players to win three Brier titles.
- 1951** The field expands to 11 teams with Newfoundland joining the Brier.
- 1953** A 52 years, two months and 21 days old, Ab Gowanlock becomes the oldest Brier champion.
- Gowanlock also sets the record for longest period between Brier championships for a player with 15 years.
- 1957** Saskatchewan's Team Garnet Campbell sets the record for most points scored by one team in a game with 30.
- 1958** At 18 years, 10 months and 16 days old, Manitoba's Terry Braunstein becomes the youngest player to skip a team at the Brier.
- 1959** The winner of the Brier moves on to an international competition for the first time. Saskatchewan's Team Ernie Richardson represents Canada at the Scotch Cup, the event that would become the modern day World Men's Curling Championship.
- 1960** Ernie Richardson, Arnold Richardson, Garnet Richardson and Wes Richardson become the first complete team to win back-to-back Briers.
- 1963** Ernie Richardson, Arnold Richardson and Garnet Richardson of Saskatchewan become the first players to win four Brier titles, winning four over the span of five years.
- Ernie Richardson becomes the first skip to win back-to-back Briers on two separate occasions (1959-1960 & 1962-1963).
- 1965** Alberta's Team Nicholas Lashuk sets the record for largest come-from-behind win. Alberta comes back from a nine-point deficit after five ends against Quebec's Bill Tracy to win 16-12.
- 1975** The field expands to 12 teams with Territories (Northwest Territories & Yukon) joining the Brier.
- 1977** Games are reduced to 10 ends.
- 1980** Labatt Brewing Company becomes title sponsor of the Brier in a partnership that runs until 2000.
- A three-team playoff is introduced following the round robin. The first-placed team received a spot in the final, while the second- and third-ranked teams played in a semifinal.
- 1981** At 22 years, three months and 15 days old, Kerry Burtnyk of Manitoba becomes the youngest skip to win the Brier.
- 1991** The 1991 event also determined Canada's men's curling team representative at the 1992 Olympic Winter Games in Albertville, France where curling was a demonstration sport.
- 1993** A record-setting four-way tie for first place after the round robin is set by Ontario's Russ Howard, British Columbia's Rick Folk, Northern Ontario's Rick Lang, and Manitoba's Vic Peters. Ontario's Team Howard wins the event.
- 1994** Rick Folk becomes the first person to win the Brier with two different provinces with wins in 1980 with Saskatchewan and 1994 with British Columbia.

- 1995** The four-team Page playoff format is used at the Brier for the first time.
- 2001** Nokia becomes title sponsor of the Brier. The partnership runs until 2004.
- 2003** Randy Ferbey, David Nedohin, Scott Pfeifer and Marcel Rocque become the first complete team to win three Briers in a row.
- 2005** Randy Ferbey sets the record for most Brier titles won with six. (1988, 1989, 2001, 2002, 2003, 2005)
- Tim Hortons becomes the title sponsor of the Brier.
- 2011** Manitoba lead Steve Gould ties the Ab Gowanlock's record for longest period between Brier championships for a player of 15 years.
- A bronze-medal game is added to the event for the loser of the semifinal and the 3v4 game.
- 2015** The field expands to 15 teams. Separate teams from the territories (Northwest Territories, Nunavut and Yukon) have separate entries and Team Canada (last season's Brier champion) join the event. A pre-qualification event is held prior to the Brier to determine the 12th team in the round robin.
- 2016** A free-agency rule is introduced, allowing each team to have one player living outside of its respective province or territory.
- 2018** Pre-qualification is removed from the Brier and replaced with a 16-team field. All 15 teams are part of the main draw, in addition to a Wild Card team. The top two teams in the Canadian Team Ranking System that did not qualify for its respective province/territory played in the Wild Card game on the Friday night before the event.
- The new format includes two pools of eight teams, a Championship Pool for the top four teams in each pool and the Page playoffs. The bronze-medal game is removed from the schedule and third place is awarded to the team that loses the semifinal.
- 2019** A birthright rule is introduced, allowing a player who has moved away from their province or territory of birth to represent that province or territory as a bona fide resident instead of a free agent.
- 2021** Originally scheduled in Kelowna, B.C., the Brier is moved to Calgary as part of the closed-door "bubble" concept due to the Covid-19 pandemic.
- The field expands to 18 teams with the introduction of two new Wild Card teams. The new teams were added due to a number of provincial and territorial events being cancelled during the season, therefore denying many teams an opportunity of qualifying for the national championship. The schedule is offset with a three-team playoff with the first-place team advancing to the final.
- 2022** The 18-team field format continues due to ongoing Covid-19 restrictions. Instead of a Championship Pool, which had been used since the introduction of the two-pool format in 2015, six teams qualify for the playoffs culminating into a Page playoff final four.
- Team Brad Gushue, Wild Card 1, becomes the first team to win the Brier with a three-player rotation after vice-skip Mark Nichols tests positive for Covid-19 and cannot compete in the playoffs.
- At 15 years, 11 months and 13 days old, Newfoundland & Labrador alternate Nicholas Codner becomes the youngest person to compete at the Brier.
- 2023** Curling Canada announces it will keep the 18-team format at the Brier going forward beginning with the 2023 event.
