Information 

About three weeks ago, the Index Department published a provisional list of newly valid outstanding share totals and free float values (see [SIX Swiss Exchange message 10/2012](#)).

In the meantime, some last-minute changes have been taken into account in order to ensure that the new index basket weights correspond to the current status.

The **definite list of all changes effective from 19 March 2012** is now accessible at the SIX Swiss Exchange website:

http://www.six-swiss-exchange.com/indices/adjustments_en.html

For the SLI[®] as well as for the SXI Life Sciences[®] and SXI Bio+Medtech[®], large-capitalisation issues are again capped at 9% and 4.5% (SLI[®]) and at 10% (SXI[®]) on the basis of the closing prices of 09 March 2012. The new capping factors are included in the list mentioned above.
