Information 

Based on the criteria set out in the index regulations of the SIX Swiss Exchange (rules governing the SMI[®], SLI[®], SPI[®] and SXI[®] indices), the scheduled index adjustments will be conducted on 20 December 2013 after the market close and take effect as of 23 December 2013.

A provisional list with **newly valid outstanding share totals and free float values** is accessible at the SIX Swiss Exchange website:

http://www.six-swiss-exchange.com/indices/adjustments_en.html

The final list will be published on 16 December 2013 prior to the opening. This allows any last-minute updates to be taken into account.

Adjustment of capping factors SLI[®] and SXI[®] Family

For the SLI[®] as well as for the SXI[®] Family, large capitalised securities will be capped again at 9% and 4.5% (SLI[®]) and at 10% (SXI[®]) on the basis of the closing prices of 13 December 2013. The capping factors will be published on 16 December 2013 prior to the opening in the list mentioned above.
