Content of this message:

- Launch of an uncapped blue-chip index

---

As indicated in the [message on 04 May 2017](#) SIX Swiss Exchange launches a new, uncapped blue-chip index with the same components as the SMI. The new SPI 20 index will be calculated and distributed starting 04 July 2017.

Static data SPI 20 index:

Name	Symbol	ISIN
SPI 20 TR	SPI2C	CH0368313778
SPI 20 PR	SPI20	CH0368313760

The SPI 20 index will remain uncapped even after the component capping for the SMI will have been introduced in September.

All details can be found in the SPI index family rulebook:
