Action required 

Content of this message:

- Confirmation of the introduction of **SMR12 Stage 1** in the Membertest environment on **11 September 2023**
- Publication of the updated “SMR12 – Release Guide”
- Publication of the updated specifications of the SWXess interfaces

In [SIX Swiss Exchange message no. 18/2023](#), SIX Swiss Exchange AG published the new version of the “[SMR12 – Release Guide](#)” and the updated specifications for the SWXess interfaces.

Introduction

SIX Swiss Exchange AG confirms the start of Membertest **Stage 1** on **11 September 2023**. Membertest **Stage 1** includes **required** adjustments to the SWXess interfaces. The goal of Membertest **Stage 1** is for all participants to start testing their business-relevant processes, functionalities and applications.

Release Guide

The details regarding business-relevant and technical adjustments as part of SMR12 can be found in the updated version of the “[SMR12 – Release Guide](#)”. This new version contains information on all functional and regulatory changes as well as information regarding migration, test phases, introduction and associated documents.

Further important dates regarding SMR12 can be found in section 3 of the “[SMR12 – Release Guide](#)”.

Specifications of SWXess interfaces

The adjusted specifications of the affected SWXess interfaces and further technical information can be found in the “[SMR12 – Release Guide](#)” and in the Member Section of SIX Swiss Exchange AG.

SIX Swiss Exchange AG continuously strives to expand and improve its range of services and products, as well as its SWXess trading platform. As participant, you benefit from the improvements of SMR12, which will ensure continued efficiency in trading on the exchange.
